Щ€Ш€Ш§ШЁШЄ Ш§Щ"ШґЩ...Ші Щ€Щ"Щ... ЩЉШёЩ‡Ш± Ш§Щ"Щ,Щ..Ш±: The Secret to Why Buyers Will Happily Pay an Extra 99Bў (or More) for Each Item You Sell, 1983, 192 pages, Greg Perry, 0977172465, 9780977172467, Ш№Ш'ЩЉШ©, 1983

Make \$15 extra on your next 15 auctions... \$50 bonus on your next 50 auctions... Make thousands extra on all your auctions! Control Exactly How Much Extra You Get: This technique changes every payment you ever receive - whether on eBay or other online site. When you sell this bonus 99[(or more) works every time. If you routinely sell items for \$50 or more, earn far more than 99[extra. eBay eXtasy recommends that you charge more than a minimum bonus of 99[for most items. How Much is Involved? Add 1 to 3 sentences to your auctions or sales pages. It doesn't matter what you sell and mail - audio CDs to cast iron stoves - you immediately receive extra money (with one possible exception of downloadable goods). The higher your price, the more you get. Past Buyers Have Been Thrilled: "I was a skeptic. To be able to add 99[- or more - to EVERY item I sell? It's really BETTER than that. Most of my auctions now get \$1.37 to \$4.60 extra in addition to what they got before. I control the amount of EXTRA MONEY buyers now pay me now!" - M. Stapp, Oklahoma Here's Exactly What eBay eXtasy Does: Other books about eBay show you how to get started, or how to manipulate auctions to eek slightly higher bids. eBay eXtasy gives you: - A proven step-by-step technique that guarantees every online sale a bonus 99[(or more) - Links to live auctions that use the technique to get this extra money - and buyers are thrilled to pay it! No Phony Baloney Here: eBay eXtasy is a bonus fixed-income technique you control and not some phony "raise your minimum bid" or "list during a high eBay traffic period" scheme. This works on all auctions for any product you sell and ship. Your buyers happily pay you the extra. You'll tell your buyers up front about this extra charge. How Much is 99[Worth? How many items do you sell in a month? 20 items? \$20 of gross income adds up. Sell 100 items? 300 items? Why wouldn't you want an extra 99[(or more) on everything? The World's Most Prolific Computer Author Wrote eBay eXtasy: Look at computer books and you've probably seen Greg Perry. He's written more than 75 books on programming, digital movies, Office, and Windows. On why he wrote eBay eXtasy: "I would only write an eBay book when I had something completely new, never revealed elsewhere that revolutionizes sales. Until now, too many books said the same old things." Note for International Buyers: Inside are many sales improvement tips, but the 99[technique has not been tested outside the USA and might not even be possible for non-USA sellers. Not Even a "Strategy": Calling this a "strategy" stretches things. The technique is so simple you'll wonder in amazement why every other seller doesn't implement it for more money. Completely Ethical: The reason you want to implement this extra income technique is NOT just for money. eBay eXtasy proves you do buyers a valuable service when you implement the bonus income technique and also devotes a chapter to ethical selling while dramatically boosting your profits. Bonus Material: This book's extras skyrocket your sales higher. The bonus chapter named "More Income After Every Sale!" explains exactly how you: - Think like buyers and offer exactly what they want. - Use the idea of "up sells," even for items you don't think you have "back end" products for! This chapter alone is worth more than the price of the book. Another Bonus! An appendix describes thebook-creation process, for traditional books and especially for eBooks, the new avenue for information exchange. If you have something to teach, you don't have to be an author to profit from your knowledge. A Complete Book: No filler here, eBay eXtasy is the "meat and potatoes" of eBooks. eBay eXtasy gets you going right away, takes you by the hand, and shows you exactly what to do.
